

January 3, 2006

Dear Papago Lodge Member,

As we start a new year, it is again time to register with the Lodge and to pay your annual dues. Please complete the form below including the Scout ID number from your current Scout registration card and return the form to the Council Service Center with a payment of \$10.00. If you have already paid your 2006 dues, please return the completed form marked 'Paid'. This will insure that we have complete and accurate contact information about you so that we may inform you of the many activities which we have planned for 2006.

Please note that committee participation will become very important in the near future for all youth Lodge members so logon to the Lodge web site at www.papagolodge.org for complete committee descriptions and select at least one standing committee for your participation. Those members who fail to select a committee for membership will be randomly assigned a committee.

The Lodge is growing and participation is up in all three chapters. The Santa Cruz chapter has had their first meeting in many years. Recently, more than sixty Papago arrowmen beat-out over 220 arrowmen from Wipla-Wiki for the Spirit award at the annual Section Conclave. The chapters are having pizza parties to bring in new members and the new Lodge necklace program is starting to take hold. This summer, a contingent of arrowmen will participate in the National Order of the Arrow Conference in East Lansing Michigan. We are still accepting applications for participants to this event, so please check out our web site at www.papagolodge.org for more information and an application form.

Yours in Brotherhood

P.S. Sadly, if you choose not to register with the Lodge, I remind you that while you own your sash and the copy of the Lodge flap which is still on your uniform pocket, you are not entitled to wear them if you are not currently registered with the Lodge. In essence, the Lodge pocket flap on your uniform functions as proof of your current Lodge registration and you are on your honor as a Scout to wear your uniform properly.
