

Papago Lodge 50th Anniversary Back Patch Pre-order Form

The long awaited Papago Lodge 50th Anniversary Back Patch will soon be available. The Lodge Executive committee recently voted to issue a limited number of these 8 inch octagon patches to commemorate the 50th Anniversary of our Lodge. The patch displays the four principles surrounding the fire of cheerfulness with many Lodge symbols and totems in the foreground in a southwest setting. At \$15 each these 16 color patches are a great bargain and will be a collectors' item from day one.

After the limited number are sold, the patch will be reissued in unlimited quantities as the official Lodge Back Patch but will be made without the 50th Anniversary symbol and with a possible change in the border color.
